MESSAGE OF SUNDAY 15TH SEPTEMBER 2013
“SCOGLIO” OF SAINT RITA - ROCCAPORENA (PG) ITALY

SAINT RITA

My loved brothers, My loved sisters, it's Me, your Sister **Rita**.

I'm happy that on this great day, planned by **God the Omnipotent Father**, you're all here, in this place so loved by Me.

My loved brothers and sisters, I've heard your prayers, I've been here in your midst, and I've prayed with you; I'll always pray for each of you, so that your every request may be granted, but you've to ask with the heart, especially the **Holy Trinity's** peace and love may come into your hearts.

I love you so much! I'd been waiting for this moment for a long time, and I'm thanking **God the Omnipotent Father** who has allowed Me to manifest Myself and to be able to help you, in My own small way, and I'm also thanking you, My loved brothers and sisters, because you pray Me a lot. In this way you show Me your love and your trust in Me. I want to help you, giving you much strength through My love. Don't fear, open your hearts and you'll be able to understand that it's Me.

My loved brothers and sisters, never forget this special day, and thank the **Holy Trinity** to have given you so much love and strength. So many of you wished to perceive these emotions that you've experienced today, but this for you must be a charge to face the weaknesses, the slavery of this world.

So many of you've come to Me with so many doubts, but don't fear, listen to your heart and pray, so that the **Holy Trinity** may illuminate you that it's all true. Here I'll always be for those who will pray Me with the heart and, in the meantime, I'll pray for you.

My loved brothers and sisters, My love for you is immense. It's now time to leave you: My mission's fulfilled today, thanks to you.

Now the **Holy Trinity's** blessing us, in the name of the **Father**, the **Son** and the **Holy Spirit**.
